This year's Safer Internet Day (SID) celebrations took place on Tuesday, 7 February 2017. With a theme of "**Be the change: Unite for a better internet**".

This year has been the biggest and best one yet! Throughout the week children have been learning how to keep themselves safe online.

It all started off on Monday with the Head teacher's assembly showing us how a photo can spread across the world over the internet.

All computing lessons were based on Internet Safety and the Digital Leaders ran activities and presentations for the younger children. Children also made invitations for their parents to attend the Internet Safety Parents Evening to be held on Thursday 2nd of March.

We would like thank you to Caroline and Lisa who came in from CEOP (Child Exploitation Online Protection), to hold Internet Safety workshops for the children in KS2.
