Check out our **NEW WEBSITE**

We are very pleased to let you know that we have a brand new school website! We have created the website to keep parents up to date with school news and notices, and to showcase some of the great things our children are achieving. So please have a look at <http://www.kensingtonavenueprimary.co.uk/> or simply search for it using a search engine such as Google or Bing. Here is a snapshot of the new site...

KAPZ After School Club is  **Outstanding**

We have now received the final report from OFSTED following our inspection on the 9th of January. KAPZ has been judged to be "Outstanding" in all areas! We are thrilled that the inspector has recognised the high quality of all aspects of our after school club.

Below are a few of key findings from the inspector...

"A highly effective, experienced and qualified management team ensures the club operates to the highest level to support children's interests and needs. It constantly reviews practice and takes full account of children's views and ideas to improve the provision."

"Children are exceptionally well supported to understand the expectations for their behaviour. Staff and children spend time discussing what behaviour is acceptable, and staff implement agreed strategies that children respond to exceptionally well."

COFFEE MORNING

Thank you for attending our recent Attendance and Homework Coffee Mornings. We appreciate you taking the time to meet with us, and we hope that our Coffee mornings were able to provide you with some valuable insight into your child's attendance and homework.

We look forward to our continued partnership throughout the remainder of the school year.

"Learn with Us"

A big thank you to all of the Reception and Year 1 parents who attended the *Learn with Us - Talking and Listening* session on Friday 13th January. The children were excited to have you in the classroom and share their talking and listening activity about healthy eating with you. We hope you found it helpful and had the opportunity to reflect on how important speaking and listening skills are to learning.

We are very sorry to see Mrs. Chhatralia leave us after 12 years of being a TA. Mrs. Chhatralia has been a long standing member of the team and all her hard work in the school over the years has been appreciated. We wish her well in her future adventures! Good luck from all!
