

Nursery Newsletter Autumn Term 1

Who is in my family?

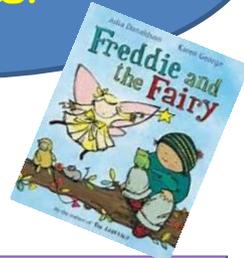

In Nursery this half-term we will be exploring the topic of 'All about me' whilst also learning about our class names: Sprite, Pixie and Elf.

Why do fairies like to help people?

We will be drawing pictures of ourselves and our family. We will also be making some things that we can take home to share with our parents.

We will be reading lots of stories and using puppets and figures to act out and retell the stories.

We will learn about all the different things we can do at Nursery like painting, building and story telling.

We will learn about how to make friends and how to share with one another and what to do when there is a problem!

We will look at the book 'Freddie and the Fairy'. We will see all the helpful things fairies do and try to be helpful at Nursery.

We will find out about different families and what it means to be a part of a family.

We will be learning to recognise our names and to count to 10.
