

Dear Parent and Carers

RE: Changes to Data Protection Law May 2018

You may be aware that from 25th May, the rules around data protection are changing. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and how we keep it safe. It will also strengthen your rights over your own data.

The reason for this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure that we remain compliant.

One of these changes is that we have updated our privacy notice which can be found on the schools website (www.kensingtonavenueprimary.co.uk) under statutory information.

As part of our work to comply with GDPR, we are also re-seeking consent for the using photographs of your child on our internal displays, website and other publications. We will also be continuing to use your contact details for any school communication.

Please complete the consent form attached and return it to the school office by Friday 8th June or give your consent via email to simsparent@kaps.croydon.sch.uk. We will need this consent again, even if you have already signed this to be able to take your child/ren's photo after 25th May 2018.

If you have any questions about how the GDPR affects you, you can contact Louise Malina by emailing DPO@npw.uk.com

Full name of child	KAPS	
I agree to the use of my child's photograph to be used for internal use	I agree to the use of my child's photograph to be used for website & publications
