

1st February 2019

Dear Parents & Carers

We are pleased to inform you that our application to form a Multi Academy Trust has had final approval and will now start on the 1st February 2019.

The trust will be called The Manor Trust and will comprise the two schools, Kensington Avenue Primary School and Norbury Manor Business and Enterprise College for Girls and it is envisaged that both schools will continue with their unique names and individual identities, however, they will also be sharing some aspects of their provision and looking to work together to support all the students and families in their Community.

The trust will be setting up a website however, before we move forward with this, we are keen to involve our students in the design of an appropriate logo with The Manor Trust name.

All students from both schools will be invited to take part and the winning design will be used on all official documents.

The logo should:

- Represent the educational aspect of schools
- Reflect the name "The Manor Trust"
- Be clear and easy to use
- Easily identifiable
- May include the colour red as this colour is associated with both schools

The deadline for submission is the last day of this half term, Friday 15th February 2019, and entries should be handed in to the Headteachers at either school on paper or electronically and clearly labelled with the students name to acompton@nmbec.org.uk.

We look forward to receiving the childrens artwork and the ideas they can produce.

Yours sincerely

C.Cranham
Headteacher
