

This week at Kensington Avenue Primary

KENSINGTON AVENUE PRIMARY SCHOOL
Together Everyone Achieves More

5 April 2019

Science Dome

On Tuesday 2nd April the children in years 1, 2, 4 and 5 enjoyed a very exciting visit from the Science Dome. Inside the science dome we learnt lots of exciting and interesting facts about space and the solar system. We experienced a rocket trip to the moon, what it feels like to be an astronaut in space with no gravity and we visited all of the planets. We learnt about what makes day and night, light and dark, how the earth moves and also how our eyes work when we look at objects in the night sky. The children thoroughly enjoyed this multi-sensory and fun experience inside the dome.

Beethoven Class & Charles Class

1 May

- Natural History Museum Trip - Yr4
Vujcic Class

24 June

- Citizenship Day - Yr6

Attendance and Punctuality

You are reminded that all children should be in class by 9am.

Please ensure that your child arrives on time so they do not miss out on valuable learning. School finishes at 3:10pm for all children.

Here Everyday Ready On time

ATTENDANCE WINNERS FOR LAST WEEK

KS1

Year 1 Picasso

KS2

Year 6 Maynard

PUNCTUALITY WINNERS FOR LAST WEEK

KS1

Reception Wonder

KS2

Year 3 Ali

Expedition to Antarctica

This week, Year 2 Tjili and Shonibare have been on an expedition to Antarctica.

First we made preparations to our expedition. We researched different aspects of the trip. What clothes to wear, what the climate would be, the different transport options and what equipment we might need.

With all our preparations made, we set off. First we landed in Antarctica with a helicopter, then we walked on the frozen snow wearing snow shoes and finally we

went on a dog sledge. On the way we saw many arctic animals. After a long day we made it to the base camp where we put up our tent. The next day we continued our expedition and made it to The South Pole. It was a fantastic trip.

Swimming

This coming half term (Summer 1) the following classes will be going swimming on Tuesday mornings:

Year 3 - Ali

Year 3 - Oliver

Please ensure you have paid for these sessions via ParentPay. Your child must bring their swimwear and a towel in a plastic bag. Please ensure they are at school on time as the first group leaves promptly at 9am.

Internet Safety 'Learn With Us'

Thank you to all the parents and carers who attended our Internet Safety 'Learn With Us'. The Digital Leaders did a great job of presenting and answering questions! We hope you took away some valuable information from the session.

Appointments during school hours

Please remember to make any doctors, dentist or other appointments for your child outside of the school hours to avoid disruptions to their learning.

Mobile Phones

The bringing of mobile phones to school is strictly for children who travel to and from school alone. If your child does bring in a mobile phone, they must hand it in to the office when they arrive and collect it after school.
