

Sapphire Class Newsletter Autumn 1

How does our body work?

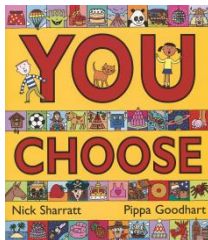

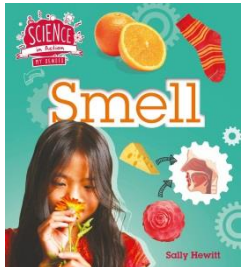

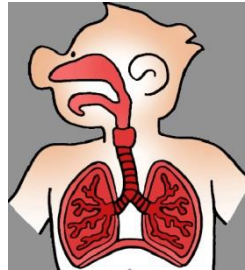

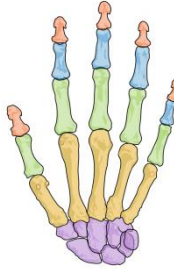

This half-term we will enjoy the topic called 'ourselves'. We will explore our likes, skills, family and the human body.

In PSHE will be learning about emotions, self care and people who help us.

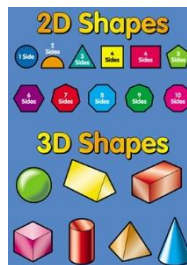

We will be sharing the books 'All Kinds of Bodies', the 5 senses books and 'You choose'.

We will be developing our understanding of numbers, shapes and time.

In Science we will be learning and experimenting with the 5 senses, sight, hearing, touch and taste.

We will be looking at different celebrations such as Harvest time.
