Rainbow Theatre Visit

The year 2 classes have had some very interesting visitors. The Rainbow Theatre came and performed a play about our topic The Great Fire of London. We were all asked to take part and each of us had a role to play. Some were children, maids or soldiers. It was an amazing experience. Here are some of the characters. Can you tell who they are?

Attendance and Punctuality

You are reminded that classrooms are open from 8.45am and all children should be in class by 9am. If your child is late it effects the punctuality of the whole class, the classes with the best attendance and punctuality win a cup each week and are celebrated in assembly. Please ensure that your child arrives on time so they do not miss out on valuable learning.

If your child is absent you must call the office each day that the child is absent. School finishes at 3:10pm for all children.

Royal Opera House

On Friday 24th January, dance club had the fantastic opportunity to visit the Royal Opera House to watch a live rehearsal and mini performance by the London Royal Ballet Company. We travelled by bus to Covent Garden and were seated in the beautiful Paul Hamlyn hall, where, along with some other schools and organisations, we watched the ballet dancers. The rehearsal was almost 2 hours long and looked

very intense! We were all very impressed with the flexibility of the female dancers and the strength of the male dancers. The female dancers showed us how the dance on their toes with special 'point shoes' and the male dancers demonstrated how they are able to jump several feet in the air and spin at the same time. We all agreed that they are a very skilled group of people! We then enjoyed lunch in the gallery overlooking busy

Covent Garden and then travelled back to school by bus again - some of us fell asleep the whole way!
An exciting and fun day was had by all.

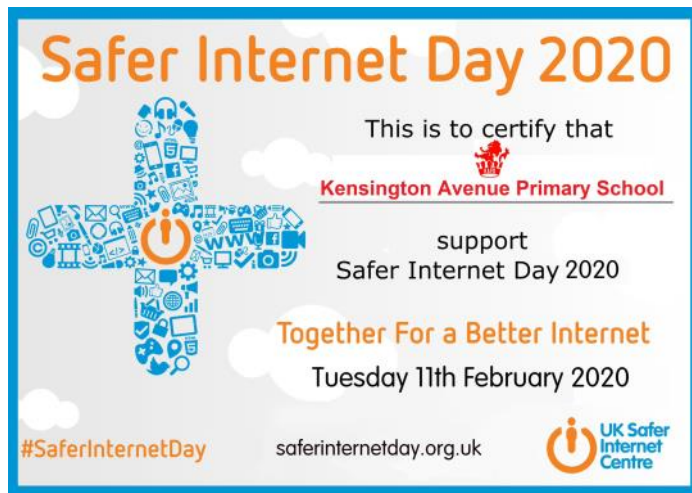

Safer Internet Day 2020

Safer Internet Day 2020 will be celebrated globally on Tuesday 11th February 2020 with the theme: Together for a better internet.

As a school we will be focusing on safer internet use in our Computing lessons. We will also be

holding workshops for parents and the Digital Leaders will be running assemblies for all children throughout the school.

Book Bags

Please make sure your child brings their book bag to school every day as this is the main way we can get important letters and information to you the parents/carers.

PE Kits

Every child needs to bring their PE kit in each week as it is important they are dressed appropriately for the lesson. Our P.E. kit consists of:

- White or Red T-shirt
- Black or Red shorts
- Black or Red Jogging bottoms
- Black plimsolls

Zig Zag Lines....

Yellow zig zag road markings are placed to show that the area must be kept clear to allow an unrestricted view for approaching drivers, cyclists or children wanting to cross the road.

We politely ask parents **not to wait or park** on these lines or across out neighbours driveways for

the safety of all the children at the school. It may take a few extra minutes to park up safely, but it helps ensure the safety of all the children by reducing congestion and enabling visibility.
