

Under The Sea

Kensington Avenue Primary School Nursery Newsletter Spring Term 2

What's lives
beneath the
waves?

We will be listening to stories and Nursery Rhymes looking for rhymes and refrains.

We will be moving in different ways like the creatures in the topic books.

We will be thinking about sharing and what we can do to be kind to our friends.

Reminders:

- Please remember to label all items of clothing with your child's name.
- Please bring a spare change of clothing to be kept in school.
- If you have any questions please ask any of the teachers.

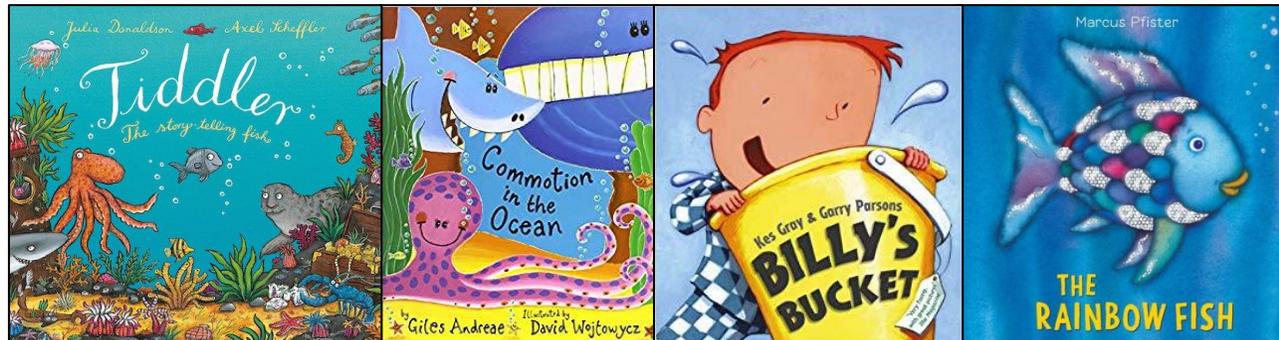

This term:

This term our topic is 'Under The Sea'. The books we will be reading are; 'Commotion in the Ocean', 'Tiddler', 'Rainbow fish' and 'Billy's Bucket'. We will be thinking about what creatures we would find in the sea and how to keep our oceans clean.

We will be identifying our numbers and learning how to mark make to represent them.

We will be making props to support our role play of the familiar stories we are reading.

We will be looking at sea creatures, keeping the sea clean and recycling plastic.

Home Learning

Learning at home should be fun and active. It should help your child to reinforce key skills.

Children should be reading with an adult each day and practicing counting to 10 and then to 20. Please complete these activities during the this holidays. We would love to see some of the things you have done at home through your drawings, creations or pictures.

Imagine you have a magic shell that could grant you a wish. Can you draw a picture of what your wish would be.

Talk to your grown up about what we can do to stay safe around water.

Go to the Library with your adult. Choose a new book that you would like to read. What's your favourite book?

Ask your grown up to help you look on the internet and find out about an animal that lives under the sea.

Teach your family to sing "One, two, three, four, five, once I caught a fish alive."

Go swimming with your grown up. Can you pretend to be a sea creature. What did you choose to be?

The Big Project!

Can you create a picture of your favourite part of the holidays. You could use paint, collage, pencils or chalk?
