

I am so glad to be back at school.
I missed my friends and my teachers
when we couldn't come to school.
I was nervous to come back to
school but now I feel safe here.

Israh
Year 4

I like doing the daily mile with
my class. We run around the
playground for exercise and
to help our minds work.

Nadal
Year 2

My favourite thing to learn
at school is maths, especially
Roman numerals.

Manha
Year 4

I am vegetarian and I like the
different meals we have for school
dinners. I loved the salad cart in the
dining hall as it has so many things
that I like!

Ridwan
Year 6

We have something called class points that we get for working hard as a class. Whoever gets the most points wins a trophy they can keep in their class that week.

Tia
Year 6

In Year 5 I was chosen to do BMX training. At first I couldn't really do it but my teacher and friends encouraged me to keep going and not give up. Eventually I got it and was going out onto the BMX track. I conquered my fears and enjoyed it so much!

Ruby
Year 6

My favourite thing to do in class is the morning challenge. Our teacher gives us a different challenge every day!

Tamaya
Year 2

The trips at KAPS are amazing! We go to all sorts of places like the Science Museum and the British Museum. The Science Museum is my favourite.

Sofia
Year 6

I like learning times tables,
working on the Ipads and
computers and when we
do Supermovers!

Zenab
Year 4

I like to learn phonics as it
helps me with my reading.
I like to read 'The day the
crayons quite'

Yahya
Year 2

I like it when we get
maths and science
homework.
