

## BT Wi-Fi Access Scheme

The BT Wi-Fi Access Scheme is run by the Department for Education (DfE).

As part of this scheme we are able to provide you with BT Wi-Fi online access funded by the DfE.

Croydon has received an allocation of internet hotspots (free internet connection) to be distributed to the families of children and young people who are disadvantaged or are on low-income.

If you know of children or young people for whom internet connection is needed to support their on-going access to education, please contact us

[VSdigitaldevices@croydon.gov.uk](mailto:VSdigitaldevices@croydon.gov.uk)

The internet log-ins will be allocated on a first come, first serve basis to those who meet the eligibility criteria as per this link [eligibility criteria for the scheme](#).
