

8th September 2021

Dear Parents and carers

It is fantastic to see you and your children back to school and to welcome all of our new families starting with us this week in the sunshine! It has been really good to hear so much noise from the playgrounds as the children get used to playing and learning with each other again.

The DfE guidance is that children don't need to socially distance but we do ask that adults do socially distance and we all continue to follow our risk assessment. There is more information about this on our website as well as advice and guidance from Croydon Public Health about what to do if you or, anyone in your household, has symptoms. I am sure you will continue to work with us to keep us all as safe as possible from the virus.

If you have any questions or would like to speak to your class teacher and they are busy with other parents, then please ring the office on 0208 764 2923 or Pammy Bhambra on 07984 303718 and let them know and what is the best way to contact you.

Please let us know your most current contact information as we will need to be in touch if your child becomes unwell. You can either let the office know or fill in a contact form on the website.

We are planning to introduce after school clubs and sharing assemblies (where parents are invited to watch their child's class assembly) in the next few weeks so we will be touch with details about that. There will also be opportunities for parents and carers to be involved in many different ways so keep an eye out for information in the newsletters.

We hope you all continue to stay safe.

Best Wishes

Clare Cranham
Headteacher
